SENDING LOVE TO DEAR HEART - Olivia/Mitch/Don/Dorothy/Joi/JohnBoy/Dolores/Becky

CURRENT STUDENTS IN HG PRISON MINISTRY - Jim Baker, Freeman Buchanan, Henry Miller, Brian Thompson, Dean Devine, Kenneth Stroad, Beau Kifer, Jonathan White, Norman Wood, Eric Ford, Jonathan Ellerby, Duane Looper, Storey McDonald, Jerry Bradfield, and Robert Niemeyer. HG ministry had it's start in Tulsa OK, through Jim Baker. He was transferred to Lawton Ok, where he continued being the lighting rod for the Lord. He soon befriended Freeman Buchanan, and the two accomplished much for the cause of Christ. After a year plus, Jim was transferred to Atoka, OK, where he remains at this time. He left the work to Freeman who also has been steadfast in this ministry, even with his physical condition. Please keep him in prayer as he works in his wheelchair with swollen joints in his hands/feet. Another student transferred to Cushing OK, who is on the waiting list to be baptized. We have weekly correspondence with most of the students, and only God knows the outcome of each man. Some will be getting out, others are in for life, but God still loves each soul, and through these two men's effort God has been glorified. Yes the church of Christ that was established by Jesus used Paul to save many prisoner's. One we shall all be in heaven together,, and what a day of freedom for one and all. Keep HG Prison Ministry In Your Prayers.

THIS WEEK - PICK UP SEARCH FOR TRUTH CARDS - HAND OUT EVERYWHERE YOU GO

MENS ACTION GROUP FRIDAY 28th - IHOP @ 55 6:30 - Will be planning spring/summer works.

LADIES ACTION GROUP FRIDAY 28th - Bill's @ 6:30 - Pot Luck/Bunco White Elephant Gift

ONE SOUL OUR GOAL ALL YEAR LONG - In James 1: 12-16, James points out that children of God do sin. In James 4:4, without hesitation, James tells them, "whosoever therefore will be a friend of the world is the enemy of God" Furthermore, the child of God "that knoweth to do good, and doeth it not, to him it is sin" (James 4: 17). Now we have been talking about helping people find the Lord once again. Jesus needs your help in doing this. You know it's the right thing to do.

WORD OF THE WEEK - REGENERATION-Word occurs only twice in Bible. Mat 19:28, refers to restoration of all things at the second coming. Tit. 3:5, it signifies the new birth through the Holy Spirit.

HUMOR - IF AT FIRST you don't succeed, you'll get plenty of free advice from people who didn't succeed either.

HEALTH TIP - Fingernails with a dark band on the tips it's best to get it checked out. Sign of a serious medical condition, such as liver disease, congestive heart failure or diabetes.

POWER FOR TODAY - We can have our fears tossed into the deep forever, like the lead weights they are. We can walk above the storms of life as we "look unto Jesus the author and perfecter of our faith" (Heb 12:2).

LIFE IN AMERICA - First St. Patrick's Day parade was not in Ireland but in New York City in 1762, and with the dramatic increase of Irish immigrants to the United States in the mid-19th century, the March 17th celebration became widespread.

WEAKNESS OF THE STRONG - We will be judged by those with whom we associate. Most people know the old saying is true, "Birds of a feather flock together." We tend to gravitate to people who are most like us (cf. Amos 3:3).

PAY ATTENTION - Friendship is like a book, it takes few seconds to burn; but, it takes years to write. Pr 22:24 - Make no friendship with an angry man, and with a furious man thou shalt not go.

KIDS IN CHURCH - A 5 year-old prays: "Our Father, Who does art in heaven, Harold is His name . . ."

DOES IT MAKE A DIFFERENCE WHICH CHURCH I ATTEND - Today God has located salvation in the New Testament church. It is true that a man can be saved outside of any denomination, but he cannot be saved outside of the undenominational church Jesus purchased with His blood and built in the days of the apostles (Matthew 16:18; Acts 2:47; 20:28).

SINNERS DON'T HAVE A PRAYER - The omniscient God is aware when a sinner prays, of course (Acts 10:4, 31), but He doesn't grant salvation in answer to prayer (Acts 11:14). He saves sinners in keeping with the promises of His covenant.

STATESIDE/OVERSEAS - HG SUPPORTED - TOOELE, UT/LEE PADILLA -Attendance continues to stay in the mid 30's, and we experience a lot of visitors. There stands before us a great work in Tooele! I am reminded of Jesus' words, ((lift up your eyes and look on the fields for they are white already to harvest."

THE POWER OF ONE - Discouragement comes if we see small beginning. Matt 19:26 with God all things are possible

AMERICA YOU DON'T KNOW - The Fourth Amendment guards against unreasonable searches and seizures, requiring warrants to be judicially sanctioned by probable cause. It was adopted as a response to the abuse of the writ of assistance, which is a type of general search warrant, in the American Revolution. God's Eye of Providence (or the all-seeing eye of God) enclosed by a triangle above pyramid. Annuet - Coeptis (He has smiled down)

AGE OF ACCOUNTABILITY - The term child or boy used in this context can be applied to an infant (1 Samuel 4:21) or to a man forty years old (2 Chronicles 13:7). Samuel was probably twelve or thirteen when the Lord called him.

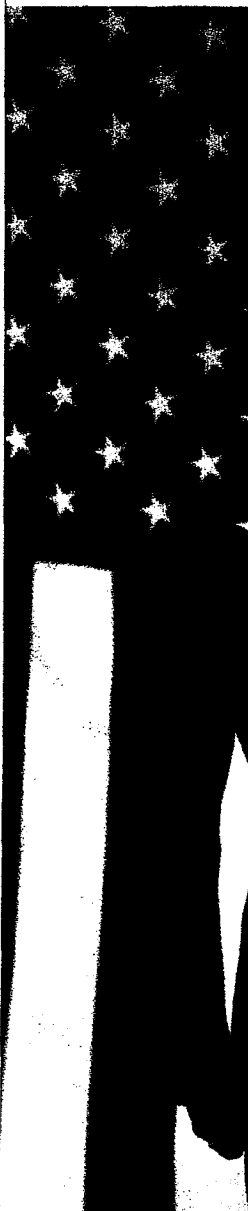

BRAIN TEASER - It's something that each of us devours, Not just us but birds, bees, trees and flowers, Frets iron and nibbles steel, Toil hard stones to meal, Exterminates king, collapse town, And blows the mountains down

BIBLE QUIZ - Who said "Philistine be upon thee" - Who are brothers of Japheth - What book before Micah - Capitol of Assyrian Empire

THOUGHT FOR THE DAY - The greatest possession you have is the 24 hours directly in front of you . . . For there is a time there for every purpose and for every work. Ecclesiastes 3: 17b

WEEKLY MEMORIZATION - Cut & Keep - Acts.16:25 - And at midnight Paul and Silas prayed, and sang praises unto God: and the prisoners heard them.

every thing there is a season,
 to every purpose under the heaven:
 a time to be born, and a time to die;
 a time to plant, and a time to
 reap; a time to break up that which is planted;
 a time to kill, and a time to heal;
 a time to weep, and a time to build up;
 a time to mourn, and a time to dance;
 a time to cast away stones,
 and a time to gather stones together;
 a time to embrace, and a time
 to refrain from embracing;
 a time to get, and a time to lose;
 a time to keep, and a time to cast away;
 a time to rend, and a time to sew;
 a time to keep silence, and a time to speak;
 a time to love, and a time to hate;
 a time of war, and a time of peace.

WHAT IS TO BE OUR RULE OF FAITH?

All people have a rule of faith they follow, whether religious or otherwise. Denominational churches are most often arranged in hierarchical structures. Compliance to "headquarters" is an absolute must. There are councils, synods, conferences and conventions. They have creed books, manuals and disciplines. With some, the Bible is relegated to 2nd or 3rd place or even further down the line of authority. What about the church you attend?

On the other hand, the ONLY RULE OF FAITH by which all people everywhere are to live is THE BIBLE, THE WORD OF GOD. The Lord's people do not have a creed, manual or discipline made by man. Heaven's creed is the Bible and the Bible alone. It is the pattern or blueprint we must follow! There is no hierarchy greater than the local church and its conformity to the Holy Bible. What about the church you attend? What does it accept?

God gave the Bible and it is sufficient to guide all men to heaven — nothing more is needed. *"All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works"* (2 Timothy 3:16-17). We have been given *"...all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue"* (2 Peter 1:3). Inspired Scripture was delivered only once and it is sufficient for all time — till this world no longer stands (Jude 1:3). Revelation from God ceased by the end of the first century. It is not subject to change and those who do change it by adding to it or taking from it will suffer eternal consequences. The condemnation of God rests upon them (Revelation 22:18-19).

The Bible is the book by which we will be judged, not the creeds of men. Jesus said, *"He that rejecteth me, and receiveth not my words, hath one that judgeth him: the word that I have spoken, the same shall judge him in the last day"* (John 12:48). Jesus said, *"...IF ye continue in my word, THEN are ye my disciples indeed"* (John 8:31). His WORD is our absolute rule of faith.

Do you accept the Bible? Will you let it rule your life?

America Fires, Man, and God

The horrible fires across America continue to be discussed in terms of cause. Arson is a part of the cause, but man's planting of non-native plants that burn easily have compounded the problem. Building houses in places known to be prone to natural disasters also is a part of the picture. The fires are not an act of God to torment humans. They are caused by man's refusal to intelligently manage a well-understood natural environment.

New Planet Confirms Uniqueness of Earth

Astronomers continue to employ new techniques to look at planets orbiting stars other than our sun. As more and more planets are found, the diversity of these planets becomes more and more complex. New planets have been found with the density close to cork, with volumes three times the size of Jupiter, and orbits incredibly close to their stars and highly elliptical. The more extra-solar planets we discover, the more obvious it becomes that our solar system is an incredibly unique system. Not only is the sun unusual in terms of its properties, but there do not seem to be any planets which have orbits and densities compared to our earth.

Gay Genetic Cause

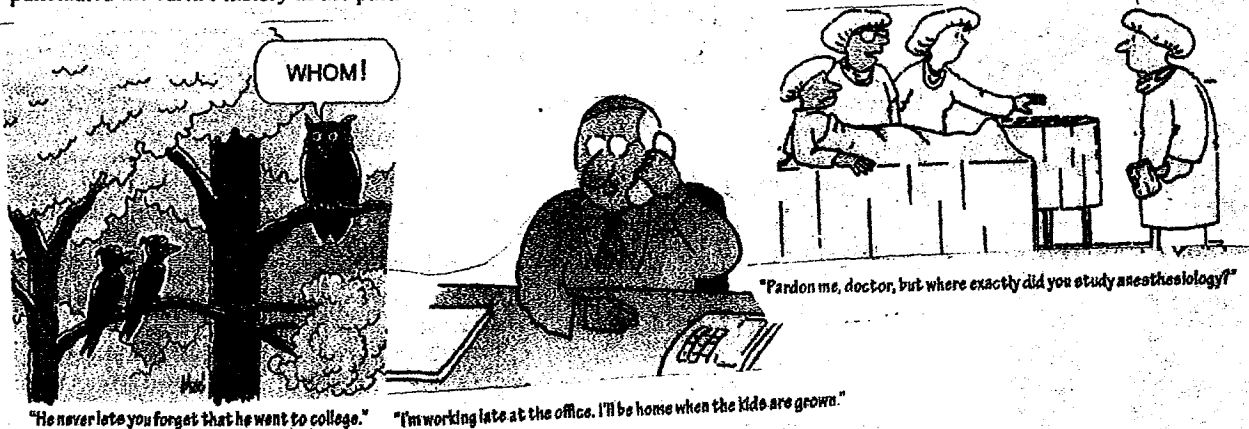

There continues to be a great deal of misinformation in the media and on the Web about the causes of homosexual behavior. Recently an article appeared in the political columns of newspapers saying that being gay and being of a certain race were the same thing. Regardless of one's views on homosexuality, such statements are completely erroneous. At the most one's sexual orientation would be given a tendency by a genetic situation, but the fact is that humans are not robots driven by their genes in lifestyle choices. One's skin color is hardly in the same realm as the capacity to make lifestyle choices.

Atheists and Giving

One of the claims of atheists is that in all areas of life atheists do as well as believers in how they live and what they do. A favorite subject in this area is the moral conduct of people in both groups, with atheists claiming that Christians are as immoral as atheists. That kind of claim is very hard to justify either way since what goes on behind every closed door is never known. A research group called the Barna Group has done a study on the giving of atheists compared to believers. The numbers are that the average believer gives \$1400 a year as opposed to \$200 a year by people who say they have no faith in God. The study also shows significant differences in service. Volunteering was 10% less and serving poor or homeless people was 20% less among nonbelievers than among believers. Involvement in the community was 27% less, and even being a registered voter was 11% less. No one has room to gloat about the numbers. Our claim is that "survival of the fittest" as the basis of one's moral code does not motivate one to altruism. This seems to be borne out by the numbers.

More Evidence for Asteroid Hit

Evolutionary theories assume something called "uniformitarianism." This is the assumption that no processes have ever operated on the earth in the past that are not operational today. The reason for this is that if global catastrophes wiped out most life in past eons, evolution would have to start over in its production of diversity, and the mechanisms of change in the world today would not allow that. The Bible claims that occasionally there have been disasters that have punctuated the history of the earth. These include the flood, the plagues in Egypt, and the events surrounding Jesus' death. Some twenty years ago Louis Alvarez proposed that the dinosaurs were wiped out by an asteroid collision with the earth, something obviously not taking place today and certainly of catastrophic proportions. More and more data is coming forth to support this view. Researchers at the Southwest Research Institute have reported studies on a group of asteroids known as the Baptistina family that provide evidence that some of their members were directed toward the earth. Other researchers at the University of California at Santa Barbara have shown similar evidence for a North American extinction from a comet. The data shows that some major astronomical changes have punctuated the earth's history in the past.
