## THIS & THAT

**THIS WEEK** - PICK UP SEARCH FOR TRUTH CARDS - HAND OUT EVERYWHERE YOU GO

**GARY JONES MISSION 2 INDIA - MARCH** - Last day for Multi Vitamins & Folic Acid

**WORD OF THE WEEK - Ecclesiastes** - Should be studied with recognition of the fact that Solomon states this. "Vanity of vanities all is vanity."

**TIP OF THE WEEK** - Spring Storms. Buy your emergency kits now/not when the tornado is bearing down.

**HEALTH** - Eat grapes protects skin from ultraviolet rays. Ladies that eat dried beans, green leafy vegetables, and broccoli are about 40 % less likely to develop PMS than women who consume less iron.

**ONE WORD ESSAYS** - Contemplation - thought, meditation, inspection, imagine, feel, assume, and believe.

**FREE TAX-AIDE** - Only 2 wks left for appointments. Call 918-382-3333

**HUMOR** - It's a cruel choice: work or daytime TV. BEEN SAVING for a rainy day. So far, I can handle a light mist.

**WHAT HAPPENED TO THE APOSTLES** - The Beloved John, at the command of anti-Christ Domitian, was exiled "in the isle that is called Patmos, for the word of God, and for the testimony of Jesus Christ" (Rev 1:9). After being recalled from Patmos by Domitian's successor, Nerva, John died peacefully (cf. John 21 :22-23).

**KIDS IN CHURCH** - Young girl saying Lord's Prayer at bedtime. As she carefully enunciated each word right up to the end of the prayer: "Lead us not into temptation," she prayed, "but deliver us some E-mail. Amen."

**POWER FOR TODAY** - When you find yourself in a place of pressure-even your Gethsemane-remember the Lord. Pray your fears and desires out to God and ask above all that God's will to be done. Then accept the Father's will. Your surrender allows God to produce good things.

**LIFE IN USA** - Kansas City - Bet you'll never guess what 81-year-old Joy Tomkins had tattooed over her heart in big blue capital letters: DO NOT RESUSCITATE. **Worst U.S. cities:** Detroit, Flint, & Warren Mich, Rockford, Chicago, & Lake County Ill., Modesto, Vallejo, & Stockton, Cal & New York. **Best:** San Francisco, Seattle, Washington, D.C., Boston, Portland, Oregon, Denver, New York, Austin, San Diego, & St. Paul.

**STATESIDE/OVERSEAS - HG SUPPORTED/DAVID HOWARD/BOULDER CO** - Had a family find through the web-site. Our attendance has been pretty stable and we have the feeling that things are about to "take off" so to speak, as we get further into spring. I visited the "Focus on the Family" campus, book and church supply store. It is a huge and "opulent" campus. As impressive as their facility is, they do a very good job with promoting Christian principals and many of their programs are extremely good.

**LOCK STOCK & BARREL** - In The Lime-light. So called because lime was an essential component in the burning process that produced a vivid light used in theatres from the mid-1800s. A lime-light was used to cast a beam of bright light on the central character on stage thus excluding the other players. From this has developed the current expression where being "in the limelight" describes being in the full glare of public attention.

**MAN'S WAY OR GOD'S WAY** - Investigating Lutheran Church - LC is one of the branches along with other denominations. (Catechism, p. 108) Different churches are not branches of Christ's Church. Christ the head over the body. Eph 1 :22-23. One body, Eph 2: 16; 4:4; 1 Cor 12:20, Jo 15:1-6. Man, not groups or denominations are spoken of. Abide in Christ. How enter into Christ: Ro 6: 3; Galatians 3: 27. Only planted one church. Matt 15:13; 16:18.

**NAME OF JESUS** - ADAM: (1 Corinthians 15:45) And so it is written, The first man Adam was made a living soul; the last Adam was made a quickening spirit.

**FEAR GOD** - Heb 12:28,29 Serve God acceptably with reverence and godly fear: For our God is a consuming fire.

**WHY CAT HAIR STICKS MORE THAN DOGS** - It is the most electrostatic of all pet hair.

**BRAIN TEASER** - In a small cabin in the woods, two men lay dead. The cabin itself is not burned, but the forest all around is burned to cinders. How did the men die?

**BIBLE QUIZ** - What famous instructions are found in Ex 20 - How many disciples did Jesus send to get donkey.

**THOUGHT FOR THE DAY** - If a task is once begun, never leave it 'till it's done. Be the labor great or small, Do it well or not at all. I have glorified thee on the earth: I have finished the work which thou gavest me to do. Jo 17:4

**WEEKLY MEMORIZATION - Cut & Keep - John 14:6** - Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me. **Acts 4:12** - Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.

**T**he Bible is **VERY CLEAR** on the subject in spite of those who deny it! It points out plainly that it is one of the most vile perversions and grossest sins that man has ever conceived. Perverters of holiness and truth are demanding their "gay rights" (there's nothing "gay" about it). They say it is "natural" and "normal" and they cannot "help it." They better help it and repent of it before its too late (II Corinthians 5:10-11). Here's why...

The cities of Sodom and Gomorrah were destroyed because of it (Genesis 18-19). Other Scriptures read: "Thou shalt not *lie with mankind as with womankind*: It is an abomination." "If a man also *lie with mankind, as he lieth with a woman*, both of them have committed an abomination: they shall be put to death; their blood shall be upon them" (Leviticus 18:22; 20:13). The nations of Canaan were cast out of their homeland because of this terrible sin (Leviticus 18:24-30)!

God created Adam and Eve, not Adam and Steve! But men and women have perverted God's way. In Romans 1:26-27, 32 we read: "For this cause God *gave them up* unto vile affections: for even their women did change the *natural use* into that which is *against nature*. And like wise also the men, leaving the *natural use of the woman*, burned in their lust *one toward another; men with men working that which is unseemly*, and receiving in themselves that recompence of their error...Who knowing the judgment of God, that *they which commit such things are worthy of death*, not only do the same, but have pleasure in them that do them." Being a homosexual is not normal or natural. It is not a sickness. It is a SIN!

There is HOPE for such people as there is for any and all who will REPENT of their sins (Acts 2:38; 17:30). Repentance means to change the mind which leads to a change of action/life. One can no longer live in wickedness! **STOP THE SIN!** ALL sinners must come to God in faithful obedience by **confessing** that Jesus is the Son of God (Romans 10:9-10; Matt. 10:32-33) and being **baptized** in water for the forgiveness of sins (Romans 6:3-6; Mark 16:16). This will make them a "child of God" (Galatians 3:26-27). A Christian must then live a faithful life unto God, walking in the Light of God's Word (I John 1:7).

## **ARSENIC-BASED LIFE DEBUNKED**

Two years ago it was claimed that scientists had found a bacterium that could live on arsenic in place of phosphorus. It has now been shown that the bacterium can tolerate more arsenic than other forms of life, but cannot live on it. Those who have maintained that life can exist on other chemical systems will have to back up on their claims. Apparently life needs phosphorous as well as carbon and oxygen to exist.

## **COMET COMING**

At the end of this year we may all be marveling at a comet that could be as luminous as the moon and one of the brightest ever seen. Comet Ison which is now between Jupiter and Saturn should be visible in December 2013. You can be sure there will be those tying this comet to the end of the world or to alien visits like Marshall Applewhite who convinced followers to commit suicide in late March 1997. But this is a normal part of our solar system and not something to fear or tie to extraterrestrials. It will be a beautiful reminder of the complexity and nature of space and the creation around us.

## **STEM CELLS NOT AN ISSUE**

The medical uses of stem cells to treat disease has moved forward by leaps and bounds in the past five years. Because the embryonic stem cells are harvested from human embryos which were destroyed in the process, there have been ethical concerns about stem cells and their use. In 2006 Dr. Shinya Yamanaka received a Nobel Prize in medicine for discovering a way to generate stem cells from skin cells, but the method was slow and not very efficient. Researchers at Stanford University and the University of Auckland, New Zealand, have now found a way to produce stem cells efficiently and in large numbers without the use of human embryos. Ethical issues always have other options than simply plowing ahead without regard for what is moral and right. We need Christian young people training to do this work and do it in a way that does not violate the value and sanctity of human life.

## **MAYAN APOCALYPSE AND POLITICS**

It is pretty obvious that the world did not end on December 21, 2012. What escaped the media was that scientists working at a Maya site called La Corona knew what the calendar prediction was all about. An inscription was written in 696 by a ruler, known as Jaguar Paw, of a nearby Maya city. In a battle in 695 Jaguar Paw left inscriptions linking himself to a distant date when the calendar cycle would end—December 21, 2012. This was a political move to prove that the ruler would be in control for a very long time and had no connection to the end of time at all.

## **10,000 MICROBE SPECIES ON YOUR BODY**

The government's Human Microbiome Project announced on June 13, 2012, that they have identified more than 10,000 different species of microbes on the human body. This is a \$173 million project believed to be a stepping stone to understanding what happens when we get sick. What it shows us is that your skin, your intestines and all other parts of your body teem with organisms that have to be dealt with or used in some positive way. The complexity of what our bodies are made of and how they function is incredible
