

Sympathy For "Bonnie Turner & Steve Ford" Beloved Dear Hearts

Death is appointed to all born of woman due to Adam/Eve's sin, and is not a sleeping room that can be entered and come out of again. To develop, to evolve, is God's law. From birth we develop into and for something. We develop strength or weakness, capacity or incapacity, good or bad character; we become useful or useless, liberal or ungenerous, kind or harsh, loving or unloved. The end of physical development comes at maturity, but mental and soul growth should go on into the end. I often have written about many of our beloved dear hearts that have gone on. And as always, I wonder what each one created with their days under the sun. I'm sure the judge of all the earth has those answers, and will judge righteously. HG sends condolences to both families, and we shall miss them deeply always as we assemble each and every week in the communion worship to our Savior.

BONNETT LEBBY - Phone 918-856-8491 **IRMA-DONNA BAKER** - Donna has reach on her plate, keep her in prayer along with Jim whose current testing showed no cancer/9 more treatments/Chemo ends November 21. **JOHN RUSSELL** - Weird fall with walker... Yes WALKER. It collapsed like scissors, and I was caught on inside of walker between door exit. I wiggled out somehow and slid, pushed to living room. It was comical "I fell and can't get up" Dolores cut gouged skin off arm/braised. Nothing like going over the handlebars in your house. Instead of on the trail. Russell did a two flip on soccer field as coach. He thought he still had 3/4 wrong kids run over him. **TRILL** - Hospitalized last wk/last contact they had no diagnoses.

KNOW - WHEREVER YOU GO, there you are. Your luggage is a different story.

CRASH DEAR OF JULIE - It's best not to rock the boat in a storm....

HONESTY IN EYES OF GOD - Honesty and sincerity does not make one right. I admire the man who is honest and sincere, and that is a much needed Christian quality, but is alone, and by itself is not enough. "There is a way that seems right unto a man, but the ends thereof are the ways of death" (Prov. 14:12).

IMMORALITY - The Standard for Morality As past Creator, current Ruler, and future Judge, Jehovah God is sovereign over all the earth (Psalm 33:8). As such, He determines what is right and wrong. God has given man His written Word, the Bible 2 Peter 1:20-21, and it is ultimately His words we must follow Jo 12:48; 2 Tim 3:16-17; 2 Peter 1:3). All men will eventually answer to Him, Matt 25:31-33; Rom 14:11. Truly His thoughts are not always our thoughts (Isaiah 55:9-10).

REPEATED LIES - If you do not understand a particular word in a piece of technical writing, ignore it. The piece will make perfect sense without it.

POWER FOR TODAY - Perhaps we are in silent suffering because a person we love is pursuing the world instead of the Lord. Just when there seems to be some hope, the wheels come off again. Here, of course, the prophet is weeping because of what is happening to his people and to himself. He is suffering at the hands of enemies without and within. It seems like God cannot or will not hear his prayers. Then, hope is heard in "Do not fear." Oh Lord, hear us! Oh Lord, help us to hear you.

KIDS IN SUNDAY SCHOOL - Little Johnny just back from Sunday school asked his father if Noah had a wife. "All the time - questions, questions, questions," the father replied. "Of course he did: Joan of Arc."

WRY - Companies Use mail-in Refunds rather than proof of purchase. Its hard to pull PP off items. Mail in less expensive.

REAGONS WHAT DO THEY DO? - Deacons serve. They serve God, they serve the eldership, and they serve the congregation. They are the church's special servants. In fact, the Greek word from which we get our word "deacon" (diakonos) literally means "servant." Jesus was a servant Rom 15:8, Paul was a servant 2 Cor 3:6, and all followers of Jesus are servants Jo 12:26. But deacons are a local church's specially selected, official group of servants.

LESTER PAE - Sept 1813: United States nicknamed Uncle Sam The name is linked to Samuel Wilson, a meat packer from Troy, New York who supplied barrels of beef to the United States Army during the War of 1812. Wilson (1766-1854) stamped the barrels with "U.S." for United States but soldiers began referring to the grub as "Uncle Sam's."

MAN'S OR GOD'S WAY - Investigating Seventh Day Adventist - Catholics changed the Sabbath from Saturday to Sunday **BIBLE** - The law was changed by Christ before the Catholic Church ever existed. Heb 7: 12. Christians were taught not to keep the Sabbath. Col 2:16. Christ changed the day of worship. Heb 10:9-10

LOVE STONK & MARBLE - Honey-moon - According to ancient European customs, newly married couples used to drink a beverage made from diluted honey during the first month of their marriage and the sweetness of that first month together as man and wife has become firmly rooted in the language.

GIANTE - Cline Paden (1919-2000) was born in Texas. He served in the U. S. Military in WW II. Seeing the need for the pure gospel of Christ in Italy, he and other young Christians prepared themselves to return as missionaries. Cline dreamed of a school where young preachers and missionaries would be trained. With others, he helped to found the Sunset School of Preaching in Lubbock, Texas. It continues to this day and has trained and sent forth more preachers than any school among us.

LEARN A LESSON FROM GOD

Proverbs 15:1

A soft answer turns away wrath

Start today on trying

to change your approach

in correcting.

If it's only for

30 min daily.

Then add to that time

each day. Soon the child

will listen, and you

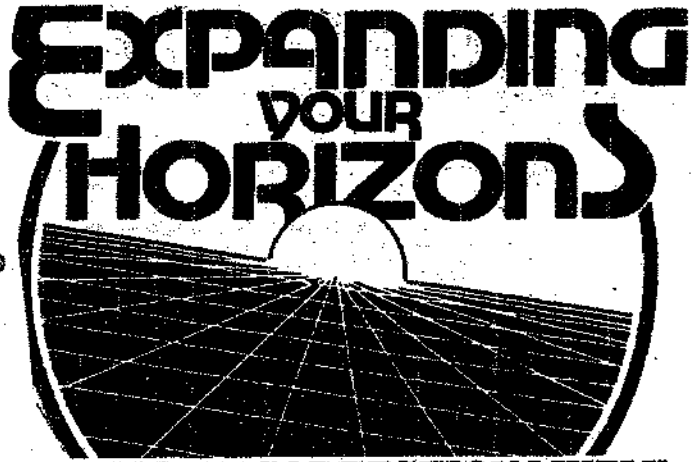

will accomplish

what you want.

Yelling only and no

rod only destroys

a child.

IS THE ROD OF CORRECTION LIKELY TO WARP A CHILD'S PERSONALITY?

One of the grave problems in America today is that the "rod of correction" is not used enough! I am certainly not referring to child abuse. Child abuse occurs when one unduly hurts or harms a child that causes injury.

Abuse comes in more forms than simply in the physical sense, the emotional and the spiritual are also involved. Abuse also occurs when the rod of correction (corporal punishment) is withheld from a child. To withhold punishment when a child needs direction and guidance will certainly warp that child's personality! We are doing irreparable harm to a child's emotional, social, physical and certainly his spiritual well-being. It teaches irresponsibility and that he/she can do as he/she pleases without any fear of being punished. The rise of child-crime is evidence to this fact!

God gives the final word on discipline. He made us and knows how we function and what we need. "He that spareth his rod hateth his son; but he that loveth him chasteneth him betimes" (Prov 13:24). "Business" means to be early at the task, in good season or time, in a short time, speedily. "Chasten thy son while there is hope, and let not thy soul spare for his crying" (Prov 19: 18). "Foolishness is bound in the heart of a child; but the rod of correction shall drive it far from him" (Prov 22:15). "Withhold not correction from the child: for if thou beatest him with the rod; he shall not die" (Prov 23: 13). "Thou shalt beat him with the rod, and shalt deliver his soul from hell" (Prov 23:14). "Correct thy son, and he shall give thee rest; yea, he shall give delight unto thy soul" (Prov 29: 17). "And, ye fathers, provoke not your children to wrath; but bring them up in the nurture and admonition of the Lord" (Eph6:4).

The rod of correction DOES NOT warp a child's personality. On the contrary, a child's personality is warped when the rod of correction is withheld! I would hate to think where many dear hearts would be today if it were not for a loving parents that used the rod of correction many, many times to shape and mold their character and personality. But as Dale said last week, we are into an era of no correction with children, and if you do, you take the chance of DHS taking your children from you. What's happen to America? What's happen to Christians parents? Less and less people correct.... WHY? They choose some of these things. "Yelling at child, Child pays no mind to yelling, Time Out, Contracts, Hold Allowance, Bribes/Rewards, and the list of things goes on and on. Parents and sometimes Aunts/Uncles, Grandparents just turn and look the other way. Then we as a country/Church wonder what is happening to our little ones that grow up and become something that we are ashamed of, and can't change them.

Hear the word of the Lord dear hearts God says, "The rod and reproof give wisdom; but a child left to himself bringeth his mother to shame. "Children are abused when left to themselves without discipline.

California Home School Cases

The California Court of Appeal ruled that parents "have an legal right to home school" their children. This reversed an earlier decision by a California Superior Court which said "parents have a constitutional right to school their children in their own home." One of the appellate judges referred to the "rush of enrolling [children] in a private school and then letting them stay home and be taught by a non-credentialed parent." The case was brought about because a family had enrolled their daughter in a private school that assisted in home schooling. In July this same Court of Appeal revisited the case and in August ruled that "the state's education code allows parents to home school their children." In an article in the San Francisco Chronicle the author pointed out that home schooling "works and that public schools do not always provide quality education." One comment in the discussion about home schooling that should apply to public instruction is "Parents should be involved in their children's schools, with their teachers, and with their homework and activities." Due to parental involvement, this is why home schooling works so well. Had the case not been reversed thousands of students in California would have "been subject to criminal sanctions."

Cavemen and Race

We have maintained for many years that the various cavemen such as Neanderthals, Homo erectus, Cro-Magnon etc., are just racial variations. A pygmy and a Swede are very different in appearance, but they are one species, and claims that the evolution of humans from one form to another are profound exaggerations. In Scientific American a report from archaeogenetics experts saying that they have discovered genetic evidence that modern humans mated with Homo erectus. How varied the genome can be and still have fertile offspring is still being debated, but the evidence continues to grow that we are all related and that the claims of subhumans is not well supported.

Atheist Attacks Continue

The God Delusion by Richard Dawkins has now sold 1.5 million copies in English, and Dawkins has spoken to sold-out auditoriums all across the country. Seventeen hundred showed up at Stanford, and hundreds had to be turned away after a 700 seat auditorium filled at Berkeley. Thirteen hundred showed up at the University of Wisconsin. The success of the attacks on belief in God by Dawkins, Christopher Hitchens, Daniel Dennett, and Sam Harris has produced a constant stream of new books which continue to flow from leading atheists attacking belief in God, biblical studies, and religion in general. A new book titled The End of Biblical Studies by Hector Avalos is the latest in this subject area. Avalos claims that the entire field of biblical studies and archeology is so riddled with shoddy practices, erroneous conclusions, political bias, and forgery that its usefulness has come to an end. Published by Prometheus Press, this book would have all learning stop and discard all of faith, biblical archeology, and theology. There is no question that there has been some unfortunate frauds and cases of poor scholarship, but learning continues and academic processes continue to root out the fakes and poor scholarship. It would seem that Avalos and his friends are at odds with everything education stands for.

THE COMET IS COMING

A newly discovered comet named C/2012 S1 (ISON) will swing by the earth in November 2013. This appears to be brighter than any comet that has been seen since 1680, being as bright as a full moon. The last time we had a bright comet was when Heaven's Gate cult group to commit mass suicide in 1997—supposedly so they could catch a ride on it. A comet is simply debris left over from the production of the solar system. What will be unique about this one is its brightness, but an ignorant public is likely to attach all kinds of weirdness to its appearance.
